I am out of my depth to understanding defamation and other legal hazards and don't want to end up in a law suit aimed at me from anyone if I can help it. Apparently even saying Virginia is a liar has hazard! I have never been in a suit criminal or civil and want it to stay that way.

The US lawyers for the Jane Does are filling additional discovery motions and if I speak I open my self to being part of discovery apparently. I am trying to stay out of litigation and not have to employ lawyers for years as I get lost in US legal nightmare. I stand no legal risk currently on these old charges and civil suits against Jeffrey We need to consult with US lawyers on any statement I make and the complaints too

Perhaps we make a statement of the legal risk of saying anything for potential defamation or something that prevents a full and frank detailed rebuttal + the press not being the place for that? Regardless, Philip please call Jeffrey lawyer and see what you can understand from him and perhaps craft something in conjunction with him? Either way I think you need to speak to him to understand my risk so you can help me understand it - too may cooks in the kitchen and I can't make good decisions. Please reach out to him today

+ I have already suffered such a terrible and painful loss over the last few days that I can't even see what life after press he'll even look like - statements that don't address all just lead to more questions..what is my relationship to Clinton? Andrew on and on.

Let's rest till Monday. I need head space

Agreed

We agreed to release a statement

We should support our friends and deny the allegations as Dershowitz urges and Prince Andrew has.

We run the real risk of guilt by silence and that is likely to feed false claims and false suits as we saw with the BBC

I advised the soldiers in Bloody Sunday not to give interviews so I am cautious and this is the time to speak.

I can say no more. I hope our advice is followed.

Hi Ross, I'm working on a story about a defamation suit filed by Virginia Roberts against Ghislaine Maxwell.

Virginia alleges that Ghislaine defamed her by calling her claims "obvious lies," among other denials. Those denials were released through you. (To be clear, you're not named as a defendant.)

I'm wondering if Ghislaine has a response to the suit, which is attached.

Thank you,

Stephen Brown
